

## Clarens Beer fest Shuttle Services from Fouriesburg to Clarens

Due to problems in the past we have decided to clarify certain issues.

All the Shuttle drivers have valid papers and registered vehicles and only the best drivers have been selected.

NO drivers are allowed to take any form of bribes and **definitely no Liquor**

These Drivers know that they are not allowed to have any liquor while on duty. (If you suspect that the driver has been drinking please contact us to make alternative arrangements.)

Shuttles take 14 persons at a time and will only leave when full. There is only one shuttle that takes 21 passengers if your group is more than 14 please ask for the bigger shuttle or your group will be split up.
